National Rainwater and Greywater Initiative: Surf Life Saving Clubs

The National Rainwater and Greywater Initiative: Surf Life Saving Clubs is a Federal Government initiative for surf life saving clubs to improve their water efficiency. Funding of up to \$10,000 is available for approved projects including:

- Installation of rainwater tanks;
- Installation of water efficient devices including showerheads, taps, toilets and urinals;
- Performing a water audit; and
- Other water efficiency measures recommended by a water audit

Applications will be accepted from 1st October 2008 to 31st January 2010, subject to funds availability.

If you are a Surf Life Saving Club and wish to apply for a grant contact Surf Life Saving Australia (SLSA) on (02) 9300 4000 or email watersavings@slsa.asn.au. For program guidelines and application forms visit the [SLSA website](#).
